

# SNAPSHOT OF COMMERCIAL INDICATORS

## Week 38 / 2021

(20-24 September)

***"If you think you are too small to make a difference, try sleeping with a mosquito."***

***Dalai Lama, also called Jamphel Ngawang Lobsang Yeshe Tenzin Gyatso, Bstan-'dzin-rgya-mtsho, title of the Tibetan Buddhist monk.***

***First to become a global figure, largely for his advocacy of Buddhism and of the rights of the people of Tibet. (Born 1935)***

Introductory Note:

We consider the herein indicators valuable in decision making since shipping is a derived demand industry with many financial interactions. Turbulent global macro/micro-climate involving stock markets, currency exchanges and opportunity cost for alternative investments affect the shipping market. In the previous years, as brokers we always faced the fact that the information that we wanted to combine with our gut feeling was never available at our finger tips.

This is our small contribution to yours and our business.
